Ready for the Toughest Hunts

The Action Extreme is a Porro prism style with all the attributes of a Nikon All Terrain Binocular. Nikon's exclusive Eco-Glass™ lenses and prism systems result in a high quality glass that is also lighter in weight. The seven power magnification, combined with the 50mm objective also makes this an ideal boating binocular.

- **Bright, multicoated lenses and BaK4 high index prisms**
Deliver bright, high-resolution images.
- **Long eye relief**
For a clear and comfortable view, especially for people who wear eyeglasses.
- **Smooth central focus knob**
Fast range of focus for quick viewing
- **Unique click-stop, twist-out eyecup design**
Delivers both long eye relief and variable eye relief to customize these binoculars to your eyes and accommodate glasses.
- **Ergonomic body design**
Comfortable for extended viewing.
- **Durable and protective, rubber-armed coating**
Provides a sure, non-slip grip, wet or dry.
- **Waterproof/fogproof**
Nitrogen filled and O-ring sealed.
- **Manufactured responsibly with lead and arsenic-free Eco-Glass™.**

OceanPro Binocular 7x50 with Compass

- **Bright, multicoated optics**
Multiple layers of anti-reflective compounds offer excellent brightness and resolution.
- **Smooth central focus knob**
Fast range of focus for quick viewing.
- **Generous eye relief**
22.7mm of eye relief provides comfortable viewing for eyeglass wearers.
- **Large exit pupils**
Maximum exit pupil ensures you 'catch' the image, even with motion at sea.
- **Durable rubber armor**
Gives you a solid surface to grip—even when wet.
- **Waterproof/fogproof**
Nitrogen filled and O-ring sealed. Maximum exit pupil ensures you 'catch' the image, even with motion at sea.

At Home on the Water

Marine environments place entirely different demands on optics: the ever-present moisture, the ever-present motion, and the ever-present need for your optics to perform anytime and every time. Nikon's OceanPro Binoculars are engineered specifically to cope with those demands and perform with excellence in time of need.

Nikon stands behind its products by offering the best consumer protection in the shooting sports industry.

If your Nikon binocular, spotting scope or fieldscope requires service or repair not covered by our 25-Year Limited Warranty, Nikon will repair or replace it — even if it was your fault — for just \$10, plus return shipping and handling.

Nikon Inc. Warranties and no-fault policy cover products marketed and sold in the U.S.A. Only. For complete details visit NikonSportOptics.com
